SYNOPSIS OF PRECEDING INSTALLMENTS. CHAPTER XII. 'I'll walk to the gate with you, I'm sorry you should have come so far for me.'

'I thought perhaps you might be able to help me, you know him so well. He often spoke of you; he valued your friendship. You understood him, you understood me.'

'What are you looking at, Lily? Her father called out when she stepped out into the street. Anything happened?' 'No,' she said. 'No. And neither did you.'

WALL STREET

Pending definite knowledge of the probable outcome of negotiations now going on in London, looking toward the settlement of the miners' strike, stock prices drifted about in aimless fashion to-day, and fluctuations of as much as a point were rare.
